

St. Gregory Parish Sports

Basketball 2008

November 15, 2007

We want to personally thank each of you for volunteering your time to coach our players this year. We understand the huge undertaking this is and hope everyone, players, coaches and parents, have a positive and fun experience.

We compiled the following information for each coach to use as a reference but also to pass along to your players and parents. We recommend each coach have a player/parent meeting to go over rules, expectations, practice schedule, game schedule and procedures you will have in place for your team. These will also be posted on St. Gregory website [www.stgregs-sanmateo.org]
