 - 2 aides leaving next year – Mrs. Green and Mrs. Soto. We will look for their replacements in the next couple of weeks.
 - Tom Dooher coming the 17th of May to meet students during school and staying after school to say hello to the parents at pick up. This will be a very informal “meet and greet” for the community.
 - Review of the budget to date. Minor change to our garbage budget – the cost of the garbage service has increased about 28%. We might want to revisit the issue of composting now that Recology is the service provider.
3. School Board Nominations/Applications
 - Need nominations/applications the week before the June board meeting.
4. Pastor Report
